**TOWN OF TECUMSEH
NOTICE OF VIRTUAL/ELECTRONIC PUBLIC MEETING
PROPOSED ZONING BY-LAW AMENDMENT**

TAKE NOTICE that the Council of the Corporation of the Town of Tecumseh will hold a virtual/electronic public meeting **Tuesday, September 14, 2021 at 4:30 p.m.** to consider a proposed Zoning By-law amendment pursuant to the provisions of the *Planning Act, R.S.O. 1990*. Please see below for information on how to provide comments or participate in the virtual/electronic public meeting.

A Zoning By-law amendment application (*Application/File: D19 5074NTR*) has been submitted for a 1.09 hectare (2.7 acre) property situated on the north side of North Talbot Road, abutting the west side of Weston Park (5074 North Talbot Road) (see Key Map below for location). The purpose of the proposed amendment is to rezone the subject property from "Agricultural Zone (A-33)" to "Hamlet Residential Zone (RH)" in order to facilitate the creation of one new residential lot and the future construction of one single-unit dwelling.

Provisional consent for the severance of one new residential lot from the subject property was granted by the Committee of Adjustment at its June 22, 2021 meeting by way of application B-10-21. As a condition of severance, the subject Zoning By-law amendment is required. The subject property is designated "Residential" in the Tecumseh Official Plan.

ANY PERSON may attend the virtual public meeting and/or make written or verbal representation either in support of or in opposition to the proposed Zoning By-law amendment.

If a person or public body does not make oral submissions at a public meeting or make written submissions to the Corporation of the Town of Tecumseh before the Zoning By-law amendment is passed, the person or public body is not entitled to appeal the decision of the Council of the Corporation of the Town of Tecumseh to the Ontario Land Tribunal.

If a person or public body does not make oral submissions at a public meeting, or make written submissions to the Corporation of the Town of Tecumseh before the Zoning By-law amendment is passed, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Land Tribunal unless, in the opinion of the Ontario Land Tribunal, there are reasonable grounds to do so.

How to Provide Comments or Participate in an Electronic Public Meeting

Due to the COVID-19 declared emergency, Public Meetings are being held virtually through electronic means and live-streamed on the Town's website. Any person who wishes **to make oral submissions** during the electronic Public Meeting **must register as a delegate**. To register as a delegate, persons may use the online registration form on the Town's website at www.tecumseh.ca/delegations or by providing their contact information (name, address, email and phone number) to the Town Clerk **by 12:00 p.m. (noon) on Thursday, September 9, 2021**. Registered delegates will receive the necessary log-in details to the meeting. By registering as a delegate persons are consenting to their image, voice and comments being recorded and available for public viewing on the Town's website. **Written submissions** may also be provided to the Clerk by noon on **Thursday, September 9, 2021**.

If you wish to be notified of the decision of the Council of the Corporation of Town of Tecumseh on the proposed Zoning By-law amendment, **you must make a written request** to the Corporation of the Town of Tecumseh, c/o Laura Moy, Clerk, at the mailing address noted below.

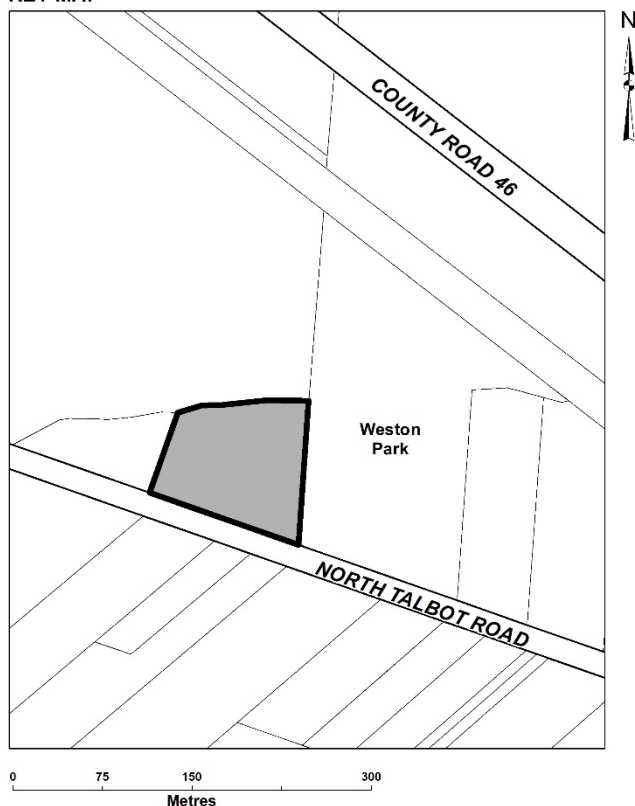

ADDITIONAL INFORMATION and any associated reports/documents relating to this matter are available for review during regular office hours at the Town Municipal Office on Lesperance Road.

The Public Meeting Agenda regarding this application will be available on the Town's website (<https://calendar.tecumseh.ca/meetings>) on Friday, September 10, 2021.

DATED AT THE TOWN OF TECUMSEH
THIS 18TH DAY OF AUGUST, 2021.

LAURA MOY, CLERK
TOWN OF TECUMSEH

Subject: Zoning By-law Amendment (Condition of Consent Application B-10/21)
Linda Deneau
5074 North Talbot Road
Scheduling of a Public Meeting
OUR FILE: D19 5074NTR

Recommendations

It is recommended:

That the scheduling of a public meeting, on September 14, 2021 at 4:30 p.m., in accordance with the *Planning Act*, for the application submitted by Linda Deneau to amend Zoning By-law 85-18 by rezoning a 1.09 hectare (2.7 acre) property situated on the north side of North Talbot Road, abutting the west side of Weston Park (5074 North Talbot Road), from “Agricultural Zone (A-33)” to “Hamlet Residential Zone (RH)” in order to facilitate the creation of one new residential lot and the future construction of one single-unit dwelling, **be authorized**.

Executive Summary

A zoning by-law amendment application has been filed in order to change the zoning pertaining to a 1.09 hectare (2.7 acre) property situated on the north side of North Talbot Road, abutting the west side of Weston Park (5074 North Talbot Road) from “Agricultural Zone (A-33)” to “Hamlet Residential Zone (RH)” in order to facilitate the creation of one new residential lot and the future construction of one single-unit dwelling. The subject property is also the subject of Consent Application B-10/21 which was approved by the Committee of Adjustment at its June 22, 2021 meeting thereby providing provisional consent to the creation of the aforementioned new residential lot. One of the conditions of consent was that both the proposed severed and retained lots be rezoned “Hamlet Residential Zone (RH)”, in

accordance with the land use and consent policies of the Tecumseh Official Plan ("Tecumseh OP"). This Report is requesting the scheduling of a public meeting related to the proposed zoning by-law amendment in accordance with the requirements of the *Planning Act*.

Background

Subject Property and Surrounding Area

Linda Deneau ("the Applicant") owns a 1.09 hectare (2.7 acre) property situated on the north side of North Talbot Road, abutting the west side of Weston Park (5074 North Talbot Road) ("subject property") located within the Oldcastle Hamlet Settlement Area (see Attachment 1). A single unit dwelling currently occupies the westerly portion of the subject property while the balance is vacant. Abutting to the north is a large parcel of land that is currently farmed, however it is designated and zoned for residential use. Beyond this large parcel is the former railway right-of-way and vacant lands currently used for agriculture that front the south side of County Road 46. Weston Park abuts the property to the east beyond which is a tier of single-unit dwellings situated on relatively deep lots fronting on the north side of the North Talbot Road. Across North Talbot Road to the south is another tier of single-unit dwellings beyond which are situated agricultural lands. An abattoir is located approximately 270 metres to the southeast of the subject property. A single unit dwelling on a large lot abuts the property to the west (see Attachment 2).

Committee of Adjustment Consent Application

Consent Application B-10/21 was filed with the Town by the Applicant in order to divide the property into two separate parcels. This application was approved by the Committee of Adjustment at its June 22, 2021 meeting, the effect of which was to:

- i) sever a vacant residential lot having a frontage of 67.13 metres (220.2 feet), an irregular depth and an approximate lot area of 5701 square metres (1.4 acres); and
- ii) retain a lot containing the existing dwelling, having a frontage of 64.84 metres (212.7 feet), an irregular depth and an approximate lot area of 5567 square metres (1.37 acres) (see Attachment 3).

The lands are designated "Residential" in the Tecumseh OP and zoned "Agricultural Zone (A-33)" in Zoning By-law 85-18 (see Attachments 4 and 5). One of the conditions of consent was that both the severed and retained lots be rezoned "Hamlet Residential Zone (RH)", in accordance with the Residential land use and consent policies of the Tecumseh OP. The proposed severed lot would be serviced by municipal piped water and a private septic facility, pending the extension of municipal sanitary sewers to this area.

Zoning By-law Amendment Application

Based on the foregoing, the Applicant has filed an application with the Town to amend Zoning By-law 85-18 for the subject property in order to rezone the property from “Agricultural Zone (A-33)” to “Hamlet Residential Zone (RH)” to satisfy the condition of the consent decision and to facilitate the future construction of one single-unit detached dwelling on the newly created vacant lot.

Comments

Provincial Policy Statement

The *Planning Act* establishes that Council, when making decisions that affect a planning matter, “shall be consistent with” the 2020 Provincial Policy Statement (“PPS”) issued under the *Planning Act*.

There are a number of policies within the PPS that support the applications for the proposed residential development. The following are the relevant excerpts from the PPS:

“1.1.3 Settlement Areas

1.1.3.1 Settlement areas shall be the focus of growth and development.

1.4.3 Planning authorities shall provide for an appropriate range and mix of housing options and densities to meet projected market-based and affordable housing needs of current and future residents of the regional market area by:

...

b) permitting and facilitating:

...

1. all types of residential intensification, including additional residential units, and redevelopment in accordance with policy 1.1.3.3;

c) directing the development of new housing towards locations where appropriate levels of infrastructure and public service facilities are or will be available to support current and projected needs.”

In summary, the PPS encourages and supports development on lands that are identified for urban growth in approved settlement areas. Based on the foregoing, it is the opinion of the writer that the application to amend the zoning

by-law to facilitate the proposed construction of a residential dwelling on the proposed severed lot is consistent with the PPS.

County of Essex Official Plan

The subject lands are situated within a Primary Settlement Area identified in the County Official Plan ("County OP"). As with the PPS, the County OP establishes that future urban development be directed to fully serviced settlement areas. While the subject property is not currently serviced by municipal sanitary sewers, it is within an urban settlement area where the Town has been, and is continuing with, the installation of sanitary sewers. In the interim, single-unit residential infilling lots serviced by a private septic facility in accordance with the Ontario Building Code is acceptable.

Accordingly, it is the opinion of the writer that the application to amend the zoning by-law to facilitate the proposed construction of a residential dwelling on the proposed severed lot is in conformity with the County OP.

Tecumseh Official Plan

The subject property is located in the Oldcastle Hamlet Settlement Area and is designated "Residential" on Schedule "B-2" of the Tecumseh OP (see Attachment 4). The policies permit the severance of the land for residential uses, however the consent policies, under subsection 6.4 iv), state:

- "iv) consents shall be granted only if they comply with the provisions of the Town's Zoning By-law. Where a by-law amendment or minor variance is necessary, it shall be a condition of the decision."

Based on the foregoing policy, and the fact that the subject property is designated "Residential" and intended for residential use, adoption of a zoning by-law amendment in order to place the lands into the "Hamlet Residential Zone (RH)" is appropriate and necessary.

Subsection 8.2.2 i) of the Official Plan establishes that new development shall be directed to the Settlement Areas and that higher order forms of servicing, including municipal water and sanitary sewer services, are the preferred form of service infrastructure. The subject property is serviced with municipal water and although it is not currently serviced by municipal sanitary sewers, it is within an urban settlement area where the Town has been, and is continuing with, the installation of sanitary sewers.

It is the opinion of the writer that the application to amend the zoning by-law to facilitate the proposed construction of a residential dwelling on the proposed severed lot is in conformity with the Tecumseh OP.

Zoning By-law 85-18

The subject property is currently zoned “Agricultural Zone (A-33)” in Zoning By-law 85-18 (see Attachment 5). The A-33 Zone permits agricultural uses with the exception of livestock intensive agricultural uses, mushroom operations and greenhouse operations. The Applicant is proposing to rezone the subject property to “Hamlet Residential Zone (RH)” in order to conform to the Residential land use and consent policies of the Tecumseh OP and to satisfy Condition 5 of the Committee of Adjustment’s decision to grant provisional consent to create a new residential lot on the subject property in accordance with Application B-10/21. Both severed and retained lots will comply with the regulations established in the RH zone.

Zoning By-law Amendment Procedures in the Official Plan

Section 10.18, Amendment Procedures, of the Tecumseh OP establishes that due regard shall be given to the following matters when contemplating a Zoning By-law Amendment:

- i) the degree of conformity of the proposed amendment to the general intent and philosophy of this Plan, particularly the planning principles as set out in Section 2.3, and consistency with provincial policy;
 - the proposed amendment is in keeping with the policies of the Tecumseh OP, is consistent with the PPS and has the effect of directing development to an identified settlement area.
- ii) the availability and suitability of land already designated for the proposed use, and the need for (or market feasibility of) the proposed use;
 - the subject lands are designated to permit the use proposed by the application. The rezoning simply implements the policies of the Tecumseh OP.
- iii) the compatibility of the proposal, or the adequacy of proposed mechanisms for achieving compatibility, with adjacent and planned uses;
 - the proposed severance and resulting single-unit residential use of the subject property is considered infill development and is in keeping with the existing development pattern along North Talbot Road. It is also compatible with the proposed residential development of the lands to the northwest.
- iv) the ability of the Town’s infrastructure to accommodate the proposal;
 - as a condition of consent approval, both the severed and retained parcels will be required to be serviced with separate water supplies, storm and private septic systems to the satisfaction of the Town of Tecumseh Public Works & Environmental Services department and the Building Services division. In addition, a new access culvert and driveway to the severed parcel will be required across the open

municipal drain (Shuttleworth Drain) in accordance with Section 78 of the *Ontario Drainage Act, RSO. 1990*, and the Owner will be required to submit a Request for Improvements Form to the Town for the required new access culvert.

- v) The adequacy of the transportation system to accommodate the proposal;
- the construction of one additional single-unit dwelling will not create any adverse impacts on the operation of the abutting roadway network.

Summary

The proposed zoning by-law amendment is consistent with the PPS and conforms to both the County OP and Tecumseh OP. Based on the foregoing, consideration of the proposed zoning by-law amendment is warranted. A public meeting to consider the rezoning in accordance with the requirements of the *Planning Act* will provide an opportunity to hear concerns and comments, if any, of neighbouring owners and public agencies. If concerns are received that cannot be addressed at the public meeting, a follow-up report will be provided to Council. Otherwise, the proposed by-law amendment will be brought forward at a subsequent Council meeting for its consideration.
