SUBJECT: **New developments concerning the *Community Safety and Policing Act, 2019***

DATE OF ISSUE:	March 28, 2024
CLASSIFICATION:	General Information
RETENTION:	April 1, 2024
INDEX NO.:	24-0020
PRIORITY:	Normal

On April 1, 2024, the *Community Safety and Policing Act, 2019* (CSPA) will come into force. It has taken considerable work to achieve this significant milestone and the Ministry of the Solicitor General recognizes the important role our policing partners have played during this process.

I am writing to ensure you are aware of recent developments in March 2024 respecting the CSPA including legislative amendments made as part of the *Enhancing Access to Justice Act, 2024* and some new and amended regulations. Below is a summary of the updates we wanted to share.

- The *Enhancing Access to Justice Act, 2024* (<https://www.ontario.ca/laws/statute/S24002>) received Royal Assent on March 6, 2024, which contained amendments to the CSPA to:
 - Update the French term for “special constable” from “agent spécial” to “constable spécial”.
 - Section 207: Clarifies that the Commission Chair must appoint an adjudicator to expungement matters (e.g., where a Chief seeks an extension on the expungement of disciplinary records) within 30 days, but that the hearing itself does not. Amendments also expand the list of disciplinary measures for which the chief is required to expunge records two years (rather than five years) after the day the disciplinary measure was imposed and enable the chief of police to apply to the Commission

- Chair to appoint an adjudicator for a hearing to determine whether a record should be retained for longer than two years for certain disciplinary measures.
- Section 220: Narrow the class of persons who are restricted from membership in a police association if their position would likely give rise to a conflict of interest and narrow the test to address conflicts in respect of collective bargaining matters, as opposed to labour relations matters more broadly.
 - Repeal s. 262: To make the Lieutenant Governor in Council regulation-making authority consistent with other provincial statutes that do not have these statutory requirements.
- New and amended CSPA regulations, including:
 - **New regulation - O. Reg. 90/24: General Matters under the Authority of the Minister** (<https://www.ontario.ca/laws/regulation/r24090>)
 - New regulation that covers matters such as: municipal board member remuneration, uniform specifications with respect to police officers employed by a police service board, and reporting requirements.
 - **New regulation - O. Reg. 135/24: O.P.P. Detachment Boards** (<https://www.ontario.ca/laws/regulation/r24135>)
 - New regulation that details the particulars on the composition of O.P.P. detachment boards, term of office, and remuneration for members.
 - **New regulation - O. Reg. 86/24: Special Constable Uniforms** (<https://www.ontario.ca/laws/regulation/r24086>)
 - New regulation that establishes the uniform standards that would apply to all special constables, other than law enforcement personnel from another jurisdiction and the Niagara Parks Police Service, including a requirement to have a light purple stripe along the length of the pants.
 - **Note:** there is an 18-month transition period to comply with the light purple stripe on pant/shorts requirement.
 - **New regulation - O. Reg. 87/24: Training** (<https://www.ontario.ca/laws/regulation/r24087>)
 - New regulation that prescribes general and specialized training requirements for police officers and special constables, and details exemptions.
 - **New regulation - O. Reg. 125/24: Transitional Matters** (<https://www.ontario.ca/laws/regulation/r24125>)
 - New regulation created to ensure a smooth transition from the *Police Services Act* (PSA) to the CSPA.
 - The new regulation deals with certain transitional matters including:
 - setting out transitional rules for how certain Ontario Civilian Police Commission (OCPD) functions will be handled after the PSA is repealed;

- extending the time for the completion of certain mandatory training under the CSPA; and
- terminating certain agreements under s. 10 of the PSA.
- **Amendments to O. Reg. 404/23: Adjudication Hearings**
(<https://www.ontario.ca/laws/regulation/r24123>)
 - Amending regulation that adds rules in regard to expungement-related hearings.
- **Amendments to O. Reg. 396/23: Matters respecting the appointment and functions of special constables, and the authorization of special constable employers** (<https://www.ontario.ca/laws/regulation/r24124>)
 - Amended the regulation to remove the prohibition of apprehensions under the *Mental Health Act* for special constables who are members of a police service or whose special constable employer is an entity that employs First Nation Officers, and special constables who are employed by transit services, universities and colleges, and community housing.
 - Amended the regulation to allow the use of the French term “constable spécial” on patrol vehicles used by special constables.

Note: All of the new regulations, amendments to CSPA regulations, and amendments to the CSPA itself will come into force on April 1, 2024.

Lastly, when the CSPA comes into force, the legislative mandate of the Inspector General of Policing will be in effect. This new oversight role will be responsible for ensuring compliance with the Act and its regulations, including that adequate and effective policing is provided to all Ontario communities.

The work to improve community safety in Ontario will not end with the CSPA coming into force. The ministry is committed to ongoing engagement with the police sector to ensure we are moving in a positive direction.

Please do not hesitate to reach out to your respective Police Service Advisor with questions pertaining to the CSPA.

Thank you for your continued support on efforts to advance the modernization and continuous improvement of police services in Ontario.

DATE OF ISSUE: **April 5, 2024**

SUBJECT: **Ontario Immediate Family Wellness Program**

To support the mental health and well-being of families of provincial adult corrections employees, paramedics, fire, emergency health services, and police public safety personnel (PSP), the Ministry of the Solicitor General is implementing the Ontario Immediate Family Wellness Program (the “Family Wellness Program”).

The Family Wellness Program will provide mental health services to the families of PSP who are killed in the line of duty or have died by suicide. The program’s goal is to ensure access to immediate wrap around services through grief and bereavement counselling for families of adult correctional services, fire, emergency health services (paramedics and ambulance communications officers (ACOs)), and police personnel across the province. The program aims to complement short-term victim services and immediate crisis supports by extending mental health services to identified family members for up to two years.

Family members who have lost a loved one because of a death in the line of duty on or after January 1, 2020, or because of a death by suicide on or after January 1, 2023, may access the wellness program. Services provided include:

- Access to wellness navigators providing crisis and care planning 24 hours a day, 7 days a week and 365 days a year.
- Access to wrap-around services that connect families to necessary supports whenever they are needed, including rapid access to counselling.
- Individualized care plans that support families no matter where they are on the mental health continuum.

Essex County OPP Detachment Board - North

To: Chair and Members

From: Tecumseh Municipal Liaison, Margaret Misek-Evans, CAO

Date to Board: April 22, 2024

Report Number: ECODB-2024-01

Subject: Name of Detachment Board

Recommendations

It is recommended:

That Report No. ECODB-2024-01, Name of Detachment Board, **be received.**

Background

On March 26, 2019, Ontario passed the [Community Safety and Policing Act, 2019](#) (CSPA), as part of the Comprehensive Ontario Police Services Act, 2019. The CSPA came into full force and effect on April 1, 2024, replacing the prior Police Services Act, 1990.

On March 26, 2024, [Ontario Regulation 135/24](#), OPP Detachment Boards (O. Reg. 135/24), was published and came into effect on April 1, 2024. O. Reg. 135/24 sets out various administrative items for the new OPP Detachment Boards and includes a list of OPP Detachments and the Boards created for their governance.

Over the period, 2019 to 2024, the former Police Service Boards participated in processes leading to the creation of detachment boards, resulting in two detachment boards being established in Essex County, Pelee Township and the Caldwell First Nation. During the development process, these Boards were referred to as Essex County OPP Detachment Boards 1 and 2 and as Essex County OPP Detachment Boards North and South.

Comments

O. Reg. 135/24 does not indicate a name for the Essex County OPP Detachment Boards (See items 13 and 14 of Table 2 in the regulation). The Ministry of the Solicitor General (SolGen) has not yet provided direction on how boards are to be named. The default, for the time being, is for the boards to remain named as they are in the regulation. It is anticipated that, once direction is given, requests for name changes may be made to the Ministry through an amendment to the regulation. In our case, where the Board is not named in the regulation, we will continue to reference the Board as the Essex County OPP Detachment Board – North for the time being.

We are advised by the Ontario Association of Police Service Boards (OAPSB) that a standardized logo is under development for all OPP Detachment Boards. Once that logo is finalized, the Board's name would be inserted to complete the Board's identification. The logo with board name will be used for all correspondence, reports, communications, web presence, etc. on behalf of the Board.

At this time, we invite Board members to reflect on options for the name of the Board and Administration will provide additional information on direction from SolGen when it is available.

Essex County OPP Detachment Board - North

To: Chair and Members

From: Essex Municipal Liaison, Doug Sweet, CAO

Date to Council: April 22, 2024

Report Number: ECODB-2024-03

Subject: Meeting Schedule and Location

Recommendations

It is recommended:

That Report No. ECODB-2024-03, Meeting Schedule and Location, **be received;**

And that direction be provided to Administration **to proceed with** drafting a meeting schedule for the new Essex County OPP Detachment Board – North, based on direction from the board at the April 22, 2024, meeting.

Background

On March 26, 2019, Ontario passed the [*Community Safety and Policing Act, 2019*](#) (CSPA), as part of the *Comprehensive Ontario Police Services Act, 2019*. The CSPA came into full force and effect on April 1, 2024, replacing the prior *Police Services Act, 1990*.

In accordance with the new CSPA, guidelines have been established on the minimum requirements to hold police service board meetings. At a minimum, the following requirements must be followed for municipal police service boards and apply equally to OPP detachment boards:

- The police service board shall hold at least four meetings each year.
- The majority of the members of the police service board constitutes a quorum.
- Subject to section 44, meetings conducted by the police service board, or by a committee of the board, shall be open to the public.

- The police service board shall record without note or comment all resolutions, decisions, and other proceedings at the meeting, whether it is open to the public or not.

Comments

To move forward in establishing a meeting schedule for the new police service board, direction is required from board members on three items:

- Meeting Day of the week,
- Meeting time, and
- Meeting location

Previously, each of the municipalities' police service boards held their board meetings on different days and times of the week, and only the Town of Tecumseh livestreamed its police service board meetings. After further investigation by Administration, it has been confirmed that each municipality has the capabilities to livestream meetings should the current board provide direction to rotate the meeting locations.

The new act requires that all boards meet at a minimum of four (4) times per year, however Administration would recommend that the new police service board establish a meeting schedule that schedules meetings every other month or at the call of the chair, as outlined in the Administrative reports received and approved by each of the three Councils. It is anticipated that there may be more meetings in the first year, in order for the Board to establish its operating policies. In addition, Administration would recommend, at a minimum, that the first four board meetings be held at Tecumseh Town Hall to ensure all logistics of hosting and livestreaming the board meetings for three municipalities can be fully reviewed.

At this time, we invite board members to discuss options and provide direction on establishing the new detachment board meeting location, day, and time. To initiate the discussion, some options are outlined below:

Location – commencing in April 2024:

Tecumseh: first 4 meetings to work out logistics and ensure viability of livestreaming from all locations.

Essex: next 4 meetings

Lakeshore: next 4 meetings.

Day of Week/Time of Day:

Day of Week:	Morning: 9 a.m. to 12 p.m.	Afternoon: 1 – 3 p.m.	Afternoon: 3 – 5 p.m.	Evening: 5 – 7 p.m.
Monday	A	A	N/A ¹	N/A ¹
Tuesday	A	N/A	N/A ²	N/A ²
Wednesday	A	A	N/A ¹	N/A ¹
Thursday	A	N/A	A	A

Considers Council meeting schedules of all three municipalities and County:

1. N/A 2nd and 4th Mondays and 1st and 3rd Wednesdays
2. N/A irregular schedule, best to avoid.
